

April 22, 2023

Dear Patients,

I will no longer be practicing with Women's Pelvic Care and Sana Spa after May 24, 2023.

I have decided to continue my practice exclusively from my Edgewood Office. Regular office visits and televisits will be available by appointment.

The office is located 25 minutes from the Big-I at 1950C U.S. Rt. 66, Edgewood, NM 87015.

Google Maps makes it an easy drive.

Most insurances are accepted and I will continue to see gynecology patients and perform all cosmetic spa procedures and services.

No transfer of records is needed to continue care in Edgewood. The office phone number will continue to be 505-884-8900. Online scheduling is available and preferred at www.thedocspa.com

Record request forms can be downloaded from thedocspa.com website and returned to info@thedocspa.com or fax to 505-806-7183. Record requests for care received at Women's Pelvic Care and Sana Spa may require record request from that office. You can choose to continue care at Women's Pelvic Care and Sana Spa. Outstanding bills with Women's Pelvic Care and Sana Spa will remain due to that practice. Outstanding credits for services will remain with Woman's Pelvic Care and Sana Spa or may be refunded depending on the care plan.

Many of you have been my patients for years and I genuinely appreciate your trust and loyalty. I look forward to continuing my practice and helping you manage your health, wellness, cosmetic and aesthetic needs.

Thank you.

Julian Rowe, MD, MPH, FACOG
